INNOVATION

WHO IS BREATHE CALIFORNIA?

Breathe California of Sacramento-Emigrant Trails has been a champion in fighting for clean air, healthy lungs and a tobacco-free future in the Sacramento region since 1917. We do this by partnering with youth, advocating public policy, supporting air pollution research and educating the public. We are recognized as a leader in seeking innovative solutions to a variety of lung health challenges facing our communities, not the least of which is air pollution.

Breathe California of Sacramento-Emigrant Trails pioneered the creation of smoke-free workplaces and restaurants, helped make light-rail a reality in Sacramento, fought for the passage of Proposition 99, and played an instrumental role in phasing out rice straw burning in the Sacramento Valley.

We spend 100% of every dollar raised in our own communities to support and expand our programs to improve the health of our residents. Please visit www.SacBreathe.org to learn more!

ABOUT BREATHE CALIFORNIA'S CLEAN AIR AWARDS LUNCHEON

At Breathe California of Sacramento-Emigrant Trails (BREATHE), we know how much air quality impacts lung health and the general well-being of our community. Unfortunately, Sacramento consistently ranks as one of the most polluted metropolitan areas in the country – but there is a silver lining!

Our air quality is steadily improving thanks to the determination of our Clean Air Champions – the people, businesses and organizations who recognize the importance of having healthy air to breathe and go above and beyond expectations to achieve it.

To ensure that the emerging Clean Air Champions in our region receive all the praise and public recognition they deserve for their incredible efforts, BREATHE honors up to six outstanding groups or individuals annually with a coveted Breathe California Clean Air Award. Winners are carefully selected from dozens of nominations by an esteemed Blue Ribbon Panel and are formally presented at the Clean Air Awards Luncheon in May.

WHY BECOME A LUNCHEON SPONSOR?

When you become a Clean Air Awards Luncheon sponsor, you support a great cause, while receiving tangible marketing benefits for your business or organization.

In addition to the formal awards ceremony, the Clean Air Awards Luncheon features an exciting networking event where sponsors can showcase their latest programs, achievements or technological development to Luncheon attendees, which include many of our region's most influential business and civic leaders, as well as a number of elected officials from the local, state and national levels of government.

Please read on to learn about our sponsorship levels and how we can best serve your needs. For more information, please contact Jenny Matchell at (916) 444-5900 x 217 or jmatchell@sacbreathe.org.
